

Name: Asma Moghaddam

Sex: Female

Phone number: +989153624812

Work number: +9832381564

Date of birth: 7 august 1992

Home address: Birjand city, Avini Street. Naranj 8 Ave. number 7

Office address: Birjand university of Medaical Science, Qaffari street, Birjand city, Iran.

Education:

M.Sc: Anatomical science, 2014 from Birjand School of Medicine, Birjand University of Medical Sciences, Birjand, Iran

B.Sc: Anesthesiology, 2010 from Birjand School of Medicine, Birjand University of Medical Sciences, Birjand, Iran

Academic Appointment:

1- Instructor of Anatomy in Birjand University of Medical Sciences (BUMS) (Nov2018-present).

Research Interests:

1. I have been investigated on wound healing process, the angiogenesis and collagen synthesis in dermal tissue.
2. VEGF immunostaining studies in skin tissue.
3. Collagen 3 immunostaining studies in skin tissue.
4. Multiple sclerosis

Awards:

1. Accepted best idea for poster presentation in the 2nd international congress and 4th national congress of wound and tissue repair in medical laser research center, academic center for education culture and research.

Articles:

1. "The Angiogenetic Effect of Resveratrol on Dermal Wound Healing in Balb/C Mice. Afshar, Mohammad Hassanzadeh-Taheri, Mohammad-Mehdi. Zardast, Mahmood, Moghaddam, Asma." Modern Care Journal(In Press) 2017. doi: [10.5812/modernc.66118](https://doi.org/10.5812/modernc.66118)
